ORDER:

Heard the learned Counsel for the petitioner and the learned Standing Counsel for the respondent Corporation.

This writ petition is filed aggrieved by the alleged inaction on the part of the respondent corporation in concluding the agreement in favour of the petitioner on the basis of the work order issued in his favour for package No.3 of Maintenance of Conventional Street Lights, including repairs undertaken during the surveying work and thereby not making the payments against pending bills.

As can be seen from the material on record, the petitioner made a representation dated 03-02-2005, requesting the respondent corporation to make payment of at least 75% as against the submitted bills. This writ petition is filed alleging that the respondent has failed to consider the said request and merely kept the representation pending. Since the representation is pending, I am not inclined to express any opinion as to the entitlement of the petitioner for payment of the amount so claimed. Instead, I deem it appropriate to dispose of the writ petition with a direction to the respondent corporation to consider the representation of the petitioner dated 03-02-2005 and pass appropriate orders, in accordance with law, as expeditiously as possible, preferably within a period of six weeks from the date of receipt of a copy of this order.

The writ petition is accordingly disposed of. No order as to costs.
